

Mayor Werder Proclaims Navy Day

Mayor W. M. Werder Tuesday issued a proclamation designating Oct. 27 as Navy Day in Redwood City. He urged all citizens to display the national flag on that day.

Abandoned Beeper Building to Be Razed

The abandoned Beeper Tannery Co. building on El Camino Real will be posted for condemnation. City councilman ordered the posting after receiving a complaint from W. H. Sadler who termed the structure and hay which is stored in it a fire hazard.

THE TIMES-GAZETTE, REDWOOD CITY, CALIFORNIA, FRIDAY EVENING, OCT. 22, 1948 4 PAGES

Don't Be A LEGISLATIVE BEGGAR

vote **NO** on proposition No. 13
(The Senate-packing Reapportionment Scheme)

AND
prevent left wing radical
bosses from making
legislative beggars out of
you and your communities!

HERE'S WHAT PROPOSITION No. 13 DOES TO YOU:

- IT makes your vote worthless by turning over absolute control of Legislative Government to the four coastal metropolitan areas of California.
- IT scraps the "Federal Plan" of check-and-balance representation in Senate and Assembly — a plan tested nationally by over 150 years of Congressional law-making under which metropolitan and non-metropolitan areas have a dual voice in government.
- IT paves the way for a return of bossism in even more vicious guise than existed before Left-Wing Radicalism was injected into modern power politics.
- IT tells rural California, and the inland cities, covering 94 per cent of the State's area, and producing most of the State's new wealth, to keep quiet about the affairs of their Government.
- IT concentrates the power to tax—which is the power to destroy—in the hands of big metropolitan interests and substitutes class conflicts for the understanding and cooperation now existing between city and country dwellers.

IT MAKES YOU AND YOUR NEIGHBORS LEGISLATIVE PAUPERS Don't let this happen!

Rally your voting strength; tell your neighbors and friends in San Francisco, Los Angeles, San Diego and Oakland how you feel about this scheme. Get out a 100 per cent "NO" vote on Proposition No. 13. YOU'LL NEED IT TO DEFEAT THIS SENATE-PACKING POWER GRAB!

Accent on Beauty in '49 Nash

Accent is on beauty in the completely new '49 Nash, from enclosed front wheels to gracefully tapered back. Long, low, roomy, it offers new concepts of styling, comfort, performance and safety.

Nash Discloses 1949 Streamliners

DETROIT — Two completely new lines of 1949 Nash cars were made public today by Nash Motors, and tomorrow will be displayed in dealer showrooms across the nation.

"These cars are so completely new that we have given them a brand-new name, 'Nash Airflyte for '49.' By going all the way in aerodynamic design, we have achieved not only amazingly beautiful cars, but also revolutionary advances in roominess, comfort and performance. They are America's first cars with fender openings completely eliminated, and with the entire structure from bumper to bumper and road to roof streamlined in swift, low racing curves," Doss said.

Council Puts Case In Merchants' Laps

Redwood City newsstand operators will be asked to voluntarily censor all comic books before selling them.

The city council, on a move by Mayor W. M. Werder, passed a resolution calling for such action.

The resolution asked that comics not be sold which:

1. Contain gruesome scenes.
2. Show cruel tortures.
3. Contain advertisements which might lead to juvenile delinquency.
4. Contain "sexy" material.
5. Glorify underworld characters or defame law enforcement officers.

Werder said he believed that a city censorship board would be unwieldy but that the merchants, if asked, would handle the problem themselves.

Youth Guilty In Dope Hearing

Donald M. Foote, 19, of San Mateo, who pleaded guilty yesterday in superior court to possession of marijuana, faces a possible prison term of six years.

Foote, son of a San Diego city official, was arrested three weeks ago at his San Mateo rooming house, where state narcotics men found 8890 grains of marijuana in a carton.

Superior Judge Edmund Scott will pronounce sentence on Foote Nov. 1, after the probation department has made a presentence investigation.

No probation can be granted a narcotics law violator. Minimum jail term on the charge against Foote is three months.

19 County Men Face Draft in December

Nineteen San Mateo County men will be inducted into the armed forces during December, according to K. H. Leitch, state director of selective service.

Leitch announced that during November 2802 men throughout the state will be called up for physical examinations, the December quotas to be made up of those who pass the examination. The physical examinations are to be given between Nov. 4 and Nov. 15, excluding Nov. 11, Armistice Day. Those passing will be subject to induction after 21 days.

According to Leitch, the induction quota in December for the state will be 934 men, of which 345 are scheduled to come from Los Angeles County, 82 from San Francisco County.

Reynolds Quits GOP Committee

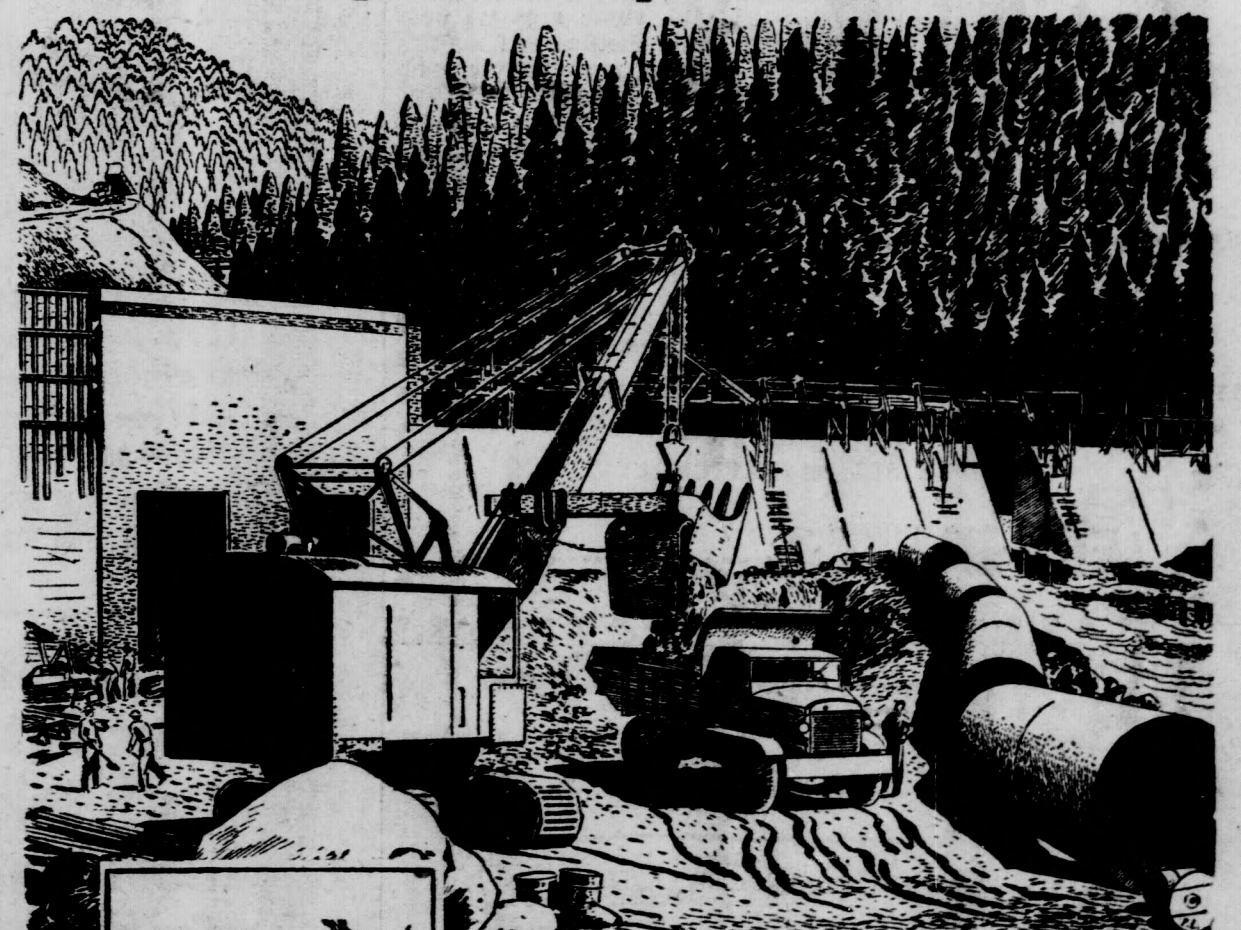

Damian Reynolds of Hillsborough has resigned from the Republican County Central Committee, Rudolph Rapsey, chairman of the group, said today.

The central committee was officially notified of Reynolds' action last night, although the resignation was tendered 10 days ago.

Reynolds, who has been on the committee for four years, said that he was too busy to continue longer. He said that he did not quit because of any ill feeling.

Rapsey said that Reynolds' resignation was "largely a question of personalities between him and Enoch Richardson," the GOP campaign manager. It was over minor bookkeeping details, he said.

Construction crews rush two new Feather River power plants

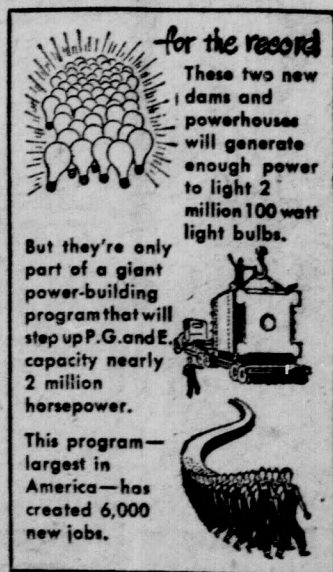

A sixteen-mile stretch of the Feather River will soon be turning out 270,000 new electrical horsepower for Northern and Central California. Two new dams, two new powerhouses and tunneling are already well underway...and when they are completed, still more waterpower will be harnessed.

Map shows location of the two new plants—Rock Creek and Cresta...along with three already built. A system of several dams and powerhouses like this one is an extremely efficient power producer and helps conserve water for irrigation.

Two of our biggest water tunnels are part of the new construction...10 1/2 miles of tunnels large enough for a double track railroad. We're going ahead full speed, and the project, begun in 1946, will begin delivering power next fall.

For the record: These two new dams and powerhouses will generate enough power to light 2 million 100-watt light bulbs. But they're only part of a giant power-building program that will step up P.G. and E. capacity nearly 2 million horsepower. This program—largest in America—has created 6,000 new jobs.

Work never stops on our power-building program

SM County Yule Seal Sale Slated to Begin on Nov. 22

San Mateo County's tuberculosis Christmas seal campaign for 1948 will open officially on Monday, Nov. 22, with a minimum quota of \$42,500 as the goal set for the all-county mailing and hundreds of volunteer workers.

Setting of the quota was announced today by seal sale Chmn. Bradford M. Melvin who said the amount was arrived at after four weeks of intensive work in cutting the budget of the association to absolute minimum requirements.

"It is the feeling of the association," said Melvin, "that it would be unfair to the supporting public to ask for any more than the smallest amount possible to sustain the essential operations in the local fight against tuberculosis."

"It is imperative, therefore, that the quota be fully met. Even a small margin less than this amount will seriously jeopardize one or more of these services upon which the public has come to depend. This is because the association, while asking a minimum amount in Christmas seal sale purchases, intends to continue its preventive, curative and educational program on the same scale as in previous years."

"We are facing at the outset of the seal sale the knowledge that response to this traditional call for funds was not up to par last year and required extra aid from a few generous contribu-

tors. "It is important that everyone, particularly new citizens of our rapidly growing county, should fully realize that the tuberculosis and health association has no source of funds other than the annual sale of Christmas seals. Reasons of national policy have prevented joining in Community Chests or similar organizations which have the advantage of professional money raising experts and techniques."

"The Christmas seal sale is conducted purely on a local level by volunteer workers and without any paid staff other than the few workers who administer the regular, year-round program." Melvin stated that the full story of Christmas seal sale supported activities will be told through the press and radio during the annual fund raising event and said that these include the free chest X-ray program for children and adults, educational activities, preventive and curative assistance to those who require it, and numerous special services all designed to effect the final eradication of the nation's number one menace, communicable tuberculosis.

Kitchen Magic Exhibit at Wards

Science has again stepped into the kitchen to shorten the housewife's meal preparation time, in many instances, from hours to a few minutes. According to an announcement by J. A. Keating, local Montgomery Ward store manager, a complete meal of meat and 6 fresh vegetables can now be cooked in one utensil in five minutes without intermingling of flavors, colors and odors; without vegetables losing their garden-fresh color, vitamins and minerals.

The secret of this kitchen magic, according to Keating is the pressure saucepan—a small size streamlined version of the larger pressure cookers that have been used for many years. Keating announced that a pressure saucepan clinic to demonstrate the cooking magic of this utensil will be held for the local Montgomery Ward store, Redwood City starting Oct. 28 through Oct. 30. Demonstrations will be almost continuous throughout each day.

All local homemakers, whether or not they have a pressure saucepan (regardless of what kind it is), have been invited to attend the clinic anytime next week. New methods of making the most of pressure saucepan cooking will be demonstrated and personal advice will be given on pressure cooking and pressure canning. The demonstration is free.

THE BUDGET BLUES

Do clothes and food and housing cost too much? The economic experts find that 20% of the cost of living is wrapped up in "featherbedding"—the make-work, payroll padding practices that the consumer must pay for! TO CUT THE COST OF LIVING, STOP FEATHERBEDDING! VOTE YES ON 3!

—California Committee Against Featherbedding

Charter Study Group Aide Urges Passage of County Proposition 'A'

Passage of County Proposition "A" at the Nov. 2 election is essential if conflict and confusion in the administration of San Mateo County's affairs is to be ended.

Henry Witte, Redwood City realtor and member of the 1942 Charter Study Committee, made this statement today through the Citizens' Committee for Better County Government.

"So long as we have a two-headed government at the courthouse in Redwood City, with a board of supervisors and county executive continually quarreling, we cannot have economic and efficient administration of the county's affairs."

"The board of supervisors by state law is responsible for the administration of the county's business. The board needs and must have a capable administrative officer, responsible to the board, to assist it in carrying out its policies, not an independent county executive who is constantly fighting with it."

"County Proposition 'A' provides just that—a capable, experienced county manager, selected through civil service procedures, appointed by the board and removable only by a four-fifths vote of the board. San Mateo County citizens who value sensible, efficient government, will vote 'yes' on County Proposition 'A' on Nov. 2."

Meanwhile, Claude J. Hirsche, committee chairman, announced addition of new members to the committee. They are: Leroy W. Johnston, Daly City, member 1946-7 County Grand Jury; George W. Holston, South San Francisco, former mayor and study committee, and George A. Dunn Sr., Sharp Park, member of the 1948 charter study committee.

He chooses sweet hearts by the thousands...

Good celery has to have a heart that's sweet and tender. So that's one of the things our buyer looks for when he chooses celery. He buys celery by the thousands, is an expert at picking out stalks which will eat best.

You put this specialist to work for you when you buy celery at Safeway. Celery you find here has been selected in the growing area by our own buyer. He actually visits the fields to check quality. Only those with crisp, tender, sturdy stalks, free from defects, get his o.k.

And celery is just one example. All our vegetables and fruits are chosen with the same personal care. We go where they grow, control quality from farm to you.

Enjoy the better eating this personal selection assures. Let Safeway supply all your produce needs.

FARM-FRESH PRODUCE

These vegetables and fruits just can't help being good. Selected by our expert buyers right in the growing areas...rushed to Safeway, they don't have time to lose their fresh goodness.

MR. AND MRS. W. D. MALLON of 705 Topaz St. have returned home from a three weeks' vacation trip to Hoover Dam, Grand Canyon and Kansas City, Mo., where they visited friends and relatives. The Mallons returned here by way of Salt Lake City.

MR. AND MRS. RAY R. KNIGHT, along with Mrs.

Knights' mother, Mrs. R. W. Ferrier, recently moved from their home in Petaluma, to San Carlos where they are making their home at 1517 Walnut St. Mr. Knight is building the new Laurel Theater on Laurel and White Oaks Way in San Carlos.

JOYCE MERMAN, daughter of Mr. and Mrs. Lester E. Merman of 1141 Whipple Ave., was re-

cently appointed chairman of the Living Groups Council at the University of California at Berkeley. The council is a campus group organized to study the problems of students living in dormitories and houses and to better existing conditions. Joyce is also a member of the women's executive board, Panhellenic and Alpha Delta Pi. She is a graduate of Sequoia High School.

Peggy Jean McCormick's Troth To Jack Millett Told at Tea

Word has been received from school in San Francisco. She is the granddaughter of the late J. V. Swift, pioneer resident of Redwood City.

PALO ALTO KNIGHTS OF COLUMBUS will hold its annual card party to benefit its relief fund tomorrow at 8:30 p.m. in the Native Sons Hall in Palo Alto.

Washington PTA Holds Meeting for Mothers

Washington School Parent Teacher Assn. held a meeting and tea for the teachers and mothers of the kindergarten and first grades at the school yesterday afternoon. Mrs. Thomas M. Goodly, president of the PTA, presided. M. W. Tackitt, principal of Washington School, welcomed the mothers and gave a talk on "The Story of Reading." He also spoke on some of the things which the school wished to achieve in teaching the children. Mr. Tackitt introduced Mrs. Martha Reynick, coordinator of curriculum, kindergarten education, who spoke on "Purpose of Kindergarten Work." Mrs. Bertha Bauer, first grade teacher, discussed "Getting Children Ready to Read" and demonstrated a first reading with a group of her pupils. Supt. Andrew Spinas was a guest at the meeting. Members of the executive board of the PTA acted as hostesses for the tea, and following the tea, the mothers visited the school.
